

Manchester Brokerage Office to Join The Boulos Company

Manchester, New Hampshire, and Portland, Maine, January 10, 2022: [The Boulos Company](#), Northern New England's commercial real estate market leader, is excited to announce that it is expanding its operations, and welcomes the brokerage team of Roger Dieker, Mike Tamposi, Chris Healey, and Transaction Manager, Karen Gazzara to their new office at 650 Elm Street, Manchester, NH.

A Transition from CBRE:

Roger Dieker will fill the role of Managing Broker and the Manchester team will be joining Boulos as a complete brokerage office after exiting a longstanding tenure at CBRE. "We have enjoyed a mutually beneficial relationship with CBRE, and it made sense for some time given our proximity to the Boston office. Over the past 3 years, however, The Boulos Company has become a regional leader in providing world-class marketing power, back office-support, and business development strategy for brokerage teams. We want to be a part of that collaborative culture which enables our brokers to be as successful as they can possibly be. We've worked with The Boulos Company in the past and developed amazing relationships – it feels like we are coming home," said Dieker.

New Opportunities in New Markets:

The move to The Boulos Company will enable the Manchester team to expand their service area to cover additional markets and offer their clients a full range of CRE services on top of traditional sale and leasing – such as CRE investment listing & advisory services. "We couldn't be more excited to bring the Manchester crew into the fold with Team Boulos," said Drew Sigfridson, Managing Director for The Boulos Company. "Together Roger, Mike, Chris, and Karen are one of the best brokerage teams in the business." In addition to being the market leader for the state of Maine and Seacoast New Hampshire, bringing Manchester on board gives The Boulos Company complete coverage throughout Maine, New Hampshire, and

A Better Approach to Brokerage:

New markets and services are not the only new developments for the Manchester Team. "We provide in-house training and mentoring to entry-level CRE sale & leasing professionals to develop them into fully credentialed brokers through our Associate Program," said Topher Stephenson, VP of Operations & Marketing for Boulos. "The program has helped develop some of the company's top-producing brokers, including Caitlin Burke of the Portsmouth office," said Stephenson. "It will make us a one-stop shop for CRE needs, we can service 1,200 SF retail tenants along with multi-million dollar investment portfolio owners, and everything in between."

Regional Focus, National Reach:
